Objective:

With a commitment to continuous learning and professional growth, I am prepared to dedicate substantial time and effort to mastering complex web application development.

Seeking to further enhance skills and gain practical experience, I am interested in joining an online internship program at Radency.

Education:

- Master's degree in Computer science at National Technical University of Ukraine "Igor Sikorsky Kyiv Polytechnic Institute" in 2024

Skills:

- MERN stack (MongoDB, Express, React, Node)
- Knowledge of other frontend frameworks like Angular and Vue.
- Experience with a wide variety of node packages, such as Puppeteer, socket.io, NestJS etc.
- Experience with libraries for 2d and 3d graphics such as WebGL, THREE.js, p5.js.
- Knowledge about abilities of Google Cloud Platform.

Languages:

- Ukrainian (native speaker)
- English (B2)
